

FEES

Black Mountain College charges one inclusive fee for tuition, room, board, use of laboratories, studies, music and art lessons, lectures, concerts, and all except purely personal expenses. This fee is fourteen hundred dollars for the regular academic year of two semesters.* It is payable as follows:

On admission to complete financial contract	\$200.00
On entrance, September 18, 1946	3/5 of balance
Opening day of second semester, February 11, 1947	the balance

Students who are unable to pay this fee are referred to the section below on financial assistance. It is the specific desire of the College that students otherwise qualified should not be excluded for financial reasons.

The College cannot guarantee that a place will be reserved for any student unless \$200.00 has been deposited with the College at the time the regular Financial Agreement is signed. This Agreement, signed both by the student and by the person responsible for payment of fees, completes the admission and makes it effective. The deposit is not refundable except at Faculty direction if the student withdraws after this date, since a withdrawal from a reserved place at the last moment may create a vacancy which otherwise would have been filled. When students are admitted after this date the deposit must be made within ten days of notification of acceptance and before arrival.

The only other fees are:

Application fee	\$ 5.00
Contingency deposit	\$25.00
Examination for graduation	\$25.00
Fee for late payment of any bill	\$10.00

The application fee must accompany application for admission to the College and is not refundable. Applicants who are accepted by the College should make the contingency deposit of \$25.00 within ten days of notification of acceptance, since admission does not become effective until this deposit is received. It is not refundable if the new student fails to enter. While a student is in attendance it must be maintained; but any unused portion of it is refunded upon graduation or withdrawal. Bills are payable on the date of the bill and if not paid within ten days are subject to the fee for late payment.

Veterans planning to attend under the provisions of the G. I. Bill should write for details.

*An increase of 17 per cent over the year '45-'46, to meet increased costs.
